**From the desk of the pastor...**

THIS STORY is told about a bishop who made a pastoral visit and was impressed to see his picture hanging in the rectory. Not only that, his picture was clean, while all the other pictures were full of cobwebs. He commended without end the parish priest for this, until the parish priest spoke up and said “Actually, Bishop, I heard you were coming and I hung your picture one hour before you arrived.”

In today's Gospel [MK.7 1-8, 14-15, 21-23] Jesus criticizes the hypocrisy of the Jews, particularly the Scribes and the Pharisees who “disregard God's commandment but cling to human tradition.” For Jesus what is important is the heart, not the externals. “Nothing that enters one from outside can defile that person but the things that come out from within are what defile.”

A love song says it so well: “Your lips may be sweet, but where is your heart?” Whenever we speak to people, we must speak with the heart. More so, whenever we speak to God, we must speak with the heart because prayer is a heart-to-heart moment with God.

Hypocrisy is learned, and some people are fast learners. In fact, they become so good at it that soon, it becomes almost second-nature to them without them even knowing it. But the hypocrite emeritus are those who no longer care about public opinion or about God's opinion because for them, all that matters is that “The Show” must go on.

However, the true colour of a person, the real character of a person cannot be hidden. It will show after a while. And all of us have a sixth sense which makes us recognize who is fake and who is real.

Lord, let everything I say or do come from the heart.

Amen.

- Fr Luis

**Update to Lockdown Measures**

The Ontario provincial government announced that the province will be moving into Step 3 of the Reopening Strategy as of 12:01 a.m., Friday July 16, 2021.

In Step 3, there is no capacity limit for churches and missions. However, physical distancing of 2 metres (6 feet) is still required between parishioners attending Mass who are not from the same household.

There is no need for contact tracing at the services in the church or mission unless there is a funeral. (See the section below for funerals.)

- Currently, face mask use indoors is mandatory for the celebrants and the faithful, even for those who are fully vaccinated.
- Congregational singing is not permitted in Step 3.
- A cantor or small choir may be utilized if singers/musicians are 3 metres from one another and any member of the congregation. Singers/musicians from the same household do not have to distance themselves from one another.
- One altar server or two or more altar servers from the same household are permitted at a Mass. Face masks must be worn, and physical distancing maintained.
- The celebrant's regular practice for greeting parishioners and processing at the beginning and the end of the liturgy may resume with adherence to the health precautions.
