**From the desk of the pastor...**

The Archbishop's secretary called him and told him they had a visitor who said he was Jesus Christ and asked what should she do!

The archbishop said "look busy."

While this is humorous it is also very true - Jesus wants us to be busy with his mission on earth!

There are many ways this can be done-lets look at a few:

1. Will people be able to see that we are Catholic by the way we live?
2. If we were put on trial for being a Catholic would we be convicted?
3. Do we have the "guts" to stand up for our faith in public?
4. Do we ignore the "unpopular" teachings of our church and still receive the Eucharist ?
5. Are all of our friends and relatives fully aware of our position on issues?
6. Do we fully share our God-given gifts with others?

These and many others are quick tests to see if we are helping to complete God/s mission on earth!

The Gospel "fleshes-out" our message by telling us that Jesus has gone to the area of Decapolis! It was most notorious in the world in our Lord's day. It was a den for prostitutes and crooks. It was the area that the "prodigal son" visited to squander his money on loose women!

By our Lord doing this, he is showing us how we also need to reach out to people of all walks of life not just the clean and nice people. By this we help him fulfill his mission on earth.

He reminds us that we are the only minds, feet and hands he has on earth. IF WE DON'T DO IT, WHO WILL?

- Fr Luis

**Update to Lockdown Measures**

The Ontario provincial government announced that the province will be moving into Step 3 of the Reopening Strategy as of 12:01 a.m., Friday July 16, 2021.

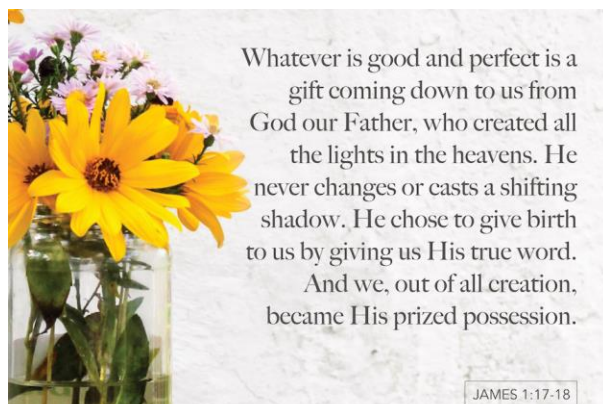

In Step 3, there is no capacity limit for churches and missions. However, physical distancing of 2 metres (6 feet) is still required between parishioners attending Mass who are not from the same household.

There is no need for contact tracing at the services in the church or mission unless there is a funeral. (See the section below for funerals.)

- Currently, face mask use indoors is mandatory for the celebrants and the faithful, even for those who are fully vaccinated.
- Congregational singing is not permitted in Step 3.
- A cantor or small choir may be utilized if singers/musicians are 3 metres from one another and any member of the congregation. Singers/musicians from the same household do not have to distance themselves from one another.
- One altar server or two or more altar servers from the same household are permitted at a Mass. Face masks must be worn, and physical distancing maintained.
- The celebrant's regular practice for greeting parishioners and processing at the beginning and the end of the liturgy may resume with adherence to the health precautions.
