**From the desk of the pastor...**

Blessings to all!

A man got married expecting to “live happily ever after.” After a couple of years, he was asked by the priest who solemnized his wedding how things were getting along.

“Father, I’ve found out there are three rings in marriage.” The priest was taken aback and asked what they could be. The man replied, “There’s an **engagement ring, wedding ring, suffice-ring.**”

The funny story teaches that no matter how blissful marriage and life may be, there will always be some suffering.

This is what the gospel of this 24th Sunday is telling us. Jesus Christ said that the “Son of Man is going up to Jerusalem and would suffer grievously and be put to death” (Mk 8:31). Peter recoiled at the thought, remonstrating, “Heaven forbid, Lord. This must never happen to you.”

Jesus exploded with a violence rarely seen of Him: “Get out of My sight, you Satan! You are a stumbling block to My path.” Imagine Peter being called Satan!

Jesus summarized Peter’s whole problem in one sentence: “You are not judging by God’s standards but by man’s.”

Man’s standards say, “Be comfortable; seek security; enjoy life.” How different are God’s standards! God shows in Jesus that real happiness comes through suffering. As the Marines would say, “No guts, no glory”; the Navy: “No pain, no gain”.

Just why God demands suffering is a mystery. Is God some kind of sadist seeing with some kind of twisted pleasure people in pain? The question is not that we suffer – because that’s inevitable – but how we react to it.

Does suffering make us bitter or better? Someone said, “Sometimes the Lord puts us on our back so we can look up to Him.”

**Update to Lockdown Measures**

The Ontario provincial government announced that the province will be moving into Step 3 of the Reopening Strategy as of 12:01 a.m., Friday July 16, 2021.

In Step 3, there is no capacity limit for churches and missions. However, physical distancing of 2 metres (6 feet) is still required between parishioners attending Mass who are not from the same household.

There is no need for contact tracing at the services in the church or mission unless there is a funeral. (See the section below for funerals.)

Currently, face mask use indoors is mandatory for the celebrants and the faithful, even for those who are fully vaccinated.

**Popes Prayer Intention:** The following intention may be included in your daily Prayer of the Faithful during Mass and in Morning and Evening Prayer, on several occasions during the month of September.

**Universal:** *An environmentally sustainable lifestyle ~ We Pray that we all will make courageous choices for a simple and environmentally sustainable lifestyle, rejoicing in our young people who are resolutely committed to this.*

**CWL Outreach:** Now that September is here with Labour Day gone and children back to school, the Food Bank, as ever, wants to thank the Parish Family for its help in these unprecedented times. This month it would be so appreciated if Parish households could drop a couple of tins etc in the boxes at the grocery stores, including four legged as well as two legged clients. But perhaps more importantly, this month please pray for the Food Bank and its work in our community, where support is really needed. Remembering all the other Food Banks struggling to cope with the need of their communities.
