**From the desk of the pastor...**

All of us here today **recognize** our need for God – maybe not as **much** as we should, but at least a **little**. In today's world, it is not **fashionable** to be a practicing Catholic, so those who come to Mass on Sundays do so because of **real faith**.

Today's **Pharisees** tend to **stay away** from the Temple – they stay home to watch the baseball game or watch their favourite TV program. Nevertheless, in order for us to **increase** our humility, so that we can increase our **wisdom** and **happiness**, we have to keep **growing** in the **awareness** of our **need for God**.

**Exercising** that awareness will make it grow. **Virtues** are like **muscles**: when we **use** them, they get **stronger**, when we don't, they atrophy.

One simple but effective way to exercise this awareness is to pray before and after meals. Nothing reminds us of our lack of self-sufficiency better than our need for life's basic necessities, like food. No matter how intelligent, popular, or successful we may be in the world's eyes, we are still made out of dust, and we need food to keep that dust alive.

And so, when we **pause before and after eating** to thank God for the gift of life and food, to **humble ourselves** in God's presence, we are, like the **tax-collector**, acknowledging our need for God, **exercising** the virtue of humility. Some families and individuals have **forgotten** that it is a sign that they, like the Pharisee, are forgetting their **dependence on God** – **exalting** themselves instead of **humbling** themselves.

Humbling ourselves, as Jesus did on the **cross**, and as he will do again today in the **Eucharist**, is a **much better policy**. Because, as he promised, those who **humble** themselves will be **exalted**.

## **World Mission Sunday**

Over one billion Catholics all over the world observe today as *World Mission Sunday*.

This annual observance was instituted 96 years ago in 1926 by Pope Pius XI's Papal decree.

Every year since then, the universal Church has dedicated the month of October to reflection on, and prayer for the missions. On World Mission Sunday, Catholics gather to celebrate the Eucharist and to contribute to a collection for the work of evangelization around the world. This annual celebration gives us a chance to reflect on the importance of mission work for the life of the Church. It reminds us that we are one with the Church around the world and that we are all committed to carrying on the mission of Christ, however different our situations may be.

Roman Catholic Diocese of Peterborough

**TRC #59.** We call upon church parties to the Settlement Agreement to develop ongoing education strategies to ensure that their respective congregations learn about their church's role in colonization, the history and legacy of residential schools, and why apologies to former residential school students, their families, and communities were necessary.

To support this learning, the Diocese of Peterborough has contacted the First Peoples House of Learning at Trent University to provide an online learning program called, "Just Get Over It."

Three sessions will be offered for the people in the Diocese.  
SESSION A - Saturday, October 15, 2022, from 9 am to 11 am  
SESSION B - Thursday, October 20, 2022, from 9 am to 11 am  
SESSION C - Tuesday, October 25, 2022, from 6 pm to 8 pm
