## Rectory - New Steel Roof

Fr. Luis and the Finance Committee have reviewed quotes for a new Steel Roof for the Rectory. Our Insurance Company has indicated the roof repairs are required and can not be delayed any longer. Due to Covid there have been many delays and issues with purchasing material and finding a suitable contractor to complete the work.

We are happy to announce we have a company committed to repairing the roof before winter.

The estimated cost of the roof repairs is \$22,035 and each parish will split the expense.

Please donate as much as you are comfortable with by using the 'Capital Fund Fundraising' grey envelopes at the back of the church or a blank envelope with "Roof Repairs" noted on the outside.

You will receive a tax receipt for total donations over \$20.

## Update to Lockdown Measures

### **CHURCH SERVICES & PARISH HALLS**

Churches and Parish Halls can be opened for services, meetings/events observing the following guidelines: Participants will wear a face covering, physical distancing between participants/households of 6 feet (2 metres) will be maintained, no food will be served.

### **VACCINE PASSPORT**

The province of Ontario is instituting a Vaccine Passport. The Vaccine Passport is **NOT** required for places of worship where a religious celebration is taking place. However, the Vaccine Passport is required in "meeting and event spaces."

### **VACCINE POLICY**

All clergy and employees serving in the Diocese of Peterborough as well as vendors providing contracted services are encouraged to receive the Covid-19 vaccine. If clergy and employees are partially or not vaccinated, they must submit weekly a negative Covid rapid test to carry out their duties. Volunteers must likewise be fully vaccinated or submit a current negative Covid rapid test to fulfill their ministry. (Rapid tests, however, will not be accepted from Extraordinary Ministers of the Eucharist, who must be fully vaccinated to carry out their ministry.) These provisions are temporary and will continue only for as long as the Vaccination Policy is in effect.
