NEW COVID-19 HEALTH PRECAUTIONS IN PLACE FROM JANUARY 5TH TO 26TH

In response to the increasing number of cases of the Omicron variant, the province of Ontario is implementing new health precautions and restrictions. The measures will be in effect from Wednesday, January 5, 2022, at 12:01 a.m. for at least 21 days until January 26, 2022. The trends in public health and health system indicators will be considerations for the government's decision to extend or lift the new measures.

The measures that will directly impact places of worship include:

- Reducing social gathering limits to five people indoors and 10 people outdoors.
- Limiting capacity at organized public events to five people indoors.
- Requiring businesses and organizations (i.e. places of worship) to ensure employees work remotely unless the nature of their work requires them to be on-site.
- Limiting capacity at indoor weddings, funerals, and religious services, rites, and ceremonies to 50 percent capacity of the particular room. Outdoor services are limited to the number of people that can maintain 2 metres of physical distance. Social gatherings associated with these services must adhere to the social gathering limits.
- Closing indoor meeting and event spaces with limited exceptions but permitting outdoor spaces to remain open with restrictions.

In the Diocese of Peterborough, Most Reverend Bishop Miehm has provided these guidelines for the implementation of the health precautions:

- Households attending the church must maintain a physical distance of 6 feet or 2 metres between each other. Attendance at the church is limited to fifty percent of the church's posted capacity.
- The clergy and the faithful must wear a face mask in the church.
- **Congregational singing is strongly discouraged at this time.**
- The processional and recessional will take place respectively from the sacristy to the sanctuary and from the sanctuary to the sacristy to avoid gatherings at the church doors.
- Parish Halls are closed for the time being. The exception to this closure is AA meetings, Food Banks, and other designated entities.
- The Diocesan and parish staff are working remotely as much as possible.

It is hoped that these new measures will curtail or significantly mitigate the current surge of the Omicron variant and the COVID-19 virus.

UPDATE OF ROOF OF THE RECTORY

We are happy to report the Rectory Roof Repairs have been completed by ASTRO INNOVATIONS Inc.

To date the donations toward the steel roof of the rectory have already reached \$19,578.³⁸. Everyone's generosity has ensured the expense will not be as large of a burden on our small parishes.

We will continue to collect funds using the 'Capital Fund Fundraising' grey envelopes at the back of the church or a blank envelope with "Roof Repairs" noted on the outside.

You will receive a tax receipt for total donations over \$20.

LIVE-STREAMING OF THE MASS

The Masses will be available online through live streaming from the Cathedral of St. Peter-in-Chains in Peterborough.

Please join in prayer if you are not able to attend in person.
