### From the desk of the pastor...

The Feast of Corpus Christi affords us the opportunity to give God collective thanks for Jesus' abiding presence with us which is made visible in the Sacrament of the Holy Eucharist.

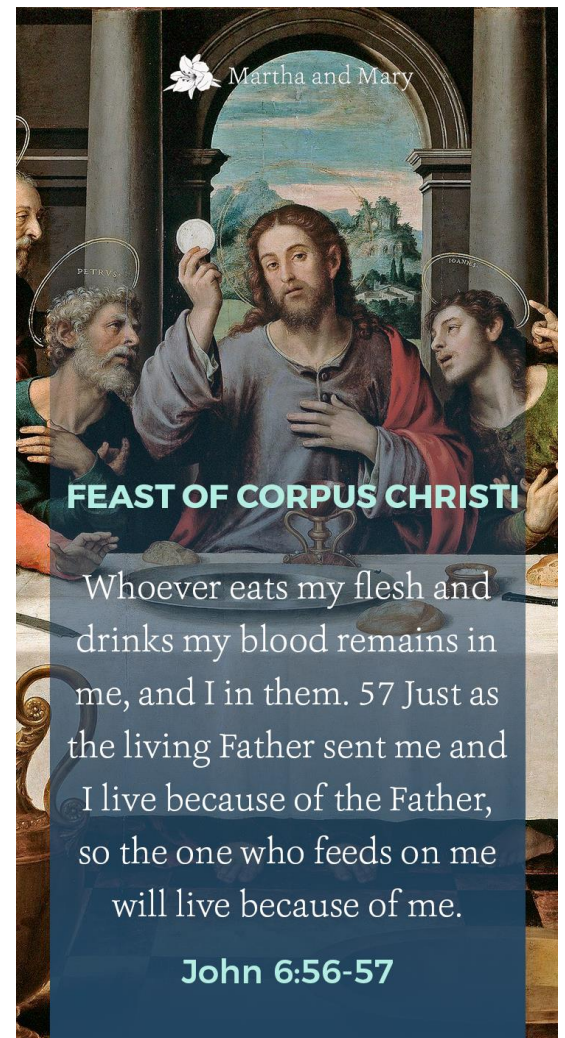

The Gospel of John tells us that there are two main reasons Jesus instituted this sacrament during the Last Supper. First, Jesus wanted to offer a visible sign of Him being present to us and us being present to him. In order to highlight his relationship with us in the Eucharist, Jesus said "Those who eat my flesh and drink my blood abide in me and I in them." These words of Jesus are in line with His promise to be with humanity until the end of time.

Second, Jesus sought to provide an effective means of communicating life to us so that we can be fully alive both in this world and in the next. He said "Very truly, I tell you, unless you eat the flesh of the Son of Man and drink his blood, you have no life in you. Those who eat my flesh and drink my blood have eternal life, and I will raise them up on the last day". Jesus instituted the Eucharist so that we may have life and have it to the fullest.

The Holy Eucharist is truly different from every other food and drink. The great difference lies in these words of Christ which St. Augustine heard in prayer, "You will not change me into yourself as you would food of your flesh, but you will be changed into me." We transform ordinary food into our own bodies but the food of the Eucharist transforms us into the body of Christ.

Let us today approach the Eucharist with a more lively faith in the real presence of Jesus in order to experience God's saving power and transforming love.

- Fr. Luis
