After having gone through a long and sad Holy Week, commemorating Our Lord's terrible suffering and death, today we are celebrating the Feast of Easter. We repeatedly cry out, "Alleluia!" This word, which means "Praise God," is sung today with joy in all of the Catholic churches around the world. Alleluia! Blessed are those who praise God, obey Him and follow Him.

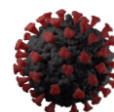

We are celebrating the great triumph of Our Lord, Jesus Christ, who by His own death overcame death as He liberated us from the slavery of sin. The glorious Resurrection of the Lord continues to be the greatest event recorded in the entire history of humanity. Yet it can only be recognized and lived as such through faith. Faith is very important: If Christ had not risen from the dead, our faith would make no sense. With the Resurrection of Christ is born a new age in the salvation history of humanity, a new chapter in human life that allows us to see the great love that God has for us.

This Easter Sunday, we Christians feel a very special happiness and are filled with hope. It would be a great help for us in our daily lives if we remembered frequently that Jesus loved us so much that, in spite of being God, He willingly sacrificed Himself for each and every one of us, even though He knew that he would have to go through a humiliating death on the Cross. His death reconciled humanity with God, giving us the possibility of conquering sin and going to Heaven.

Happy Easter to you all!

Fr. Luis

**Update to  
Lockdown  
Measures**

It remains critically important for each of us to continue following the COVID-19 health precautions.

This includes:

- staying home when ill, even with mild symptoms;
- practising physical distancing of 2 metres or 6 feet with those outside your household or social circle;
- protecting your social circle;
- wearing a face mask that covers the nose, mouth, and chin;
- washing your hands frequently and thoroughly;
- collecting the contact tracing information; and
- adhering to gathering limits and rules.

The Ontario law 364/20 requires that **everyone attending the church must wear a face mask**

## *Easter*

On this day, loving gracious God,  
we once again sing Alleluia.  
We praise You and bless You  
for raising Jesus up from the dead  
and we praise and bless You  
for all the times You have raised us  
up through Your grace.

In this Easter season and always,  
when we are weak and unable  
to make good decisions;  
when we are stubborn  
and refuse to forgive others;  
when we are afraid or discouraged  
and forget that You strengthen us;  
when we are too selfish or too weary  
to follow Jesus as we should;  
raise us up, loving God, raise us up.

Thank You for giving us  
new life in Jesus  
and for His presence among us  
this Eastertime and always.

*Amen.*

## Holy Week: New Guidelines and Restrictions

The celebration of the Holy Week Liturgies this year will entail some challenges and additional precautions. Please see the changes listed below which describe the manner in which those liturgies are to be celebrated at our parishes.

### **Palm Sunday of the Lord's Passion**

- Palms may be distributed by an usher who is masked and gloved.
- Palms may be sprinkled, but the priest should not walk through the church unless he is masked.

### **Holy Thursday Mass of the Lord's Supper**

- The optional washing of the feet following the homily is omitted.
- Following the Distribution of Holy Communion, ciboria with sufficient hosts for the next day are left on the altar.
- Following the Prayer after Communion, the priest should kneel before the altar and incense the Blessed Sacrament, allowing for several minutes of adoration. Afterwards the priest (and other ministers as necessary) takes the ciboria directly to the sacristy where the Blessed Sacrament is to be reserved. There is no solemn procession with the Blessed Sacrament at the conclusion of the Mass.
- The congregation leaves the church immediately after the departure of the ministers from the sanctuary. There is no period of adoration following the reservation of the Blessed Sacrament.

### **Good Friday – The Celebration of the Lord's Passion**

- The Cross is processed from the sacristy to the sanctuary and may be led by two acolytes with candles. The priest takes the Cross and faces the people. If the Cross is veiled, he unveils it using the traditional formula. (Roman Missal p. 309). If the Cross is not veiled, he shows it to the people three times using the formula, "Behold the wood of the Cross, on which hung the salvation of the world." The people respond: "Come let us adore."
- The Cross is placed in a stand or on a table with lighted candles on each side. The priest and people kneel for a moment of silent prayer and then the priest alone kisses the Cross before proceeding to the Altar for the Communion rite.
- The altar is prepared, and the Communion Rite takes place as in the Roman Missal, page 317 ff. Communion is distributed in the usual manner in accordance with pandemic protocols.
- Following the Prayer after Communion and the Prayer over the People, the priest returns directly to the sacristy.
- Where it is customary or deemed pastorally necessary, an additional celebration of the Passion may take place.

### **Easter Vigil**

- Gathering around a fire is not permitted and worshippers should remain in their pews. A simple Easter fire may be prepared inside or just outside the church doors from which the Paschal candle is lighted.
- The blessing of the fire and the lighting of the candle, and the Easter Proclamation take place as in the Roman Missal, pp. 324-344. Candles for the assembly may be used, provided they take them with them following the liturgy.

### **Easter Sunday Masses**

- Easter Sunday Masses are celebrated as usual, including the Renewal of Baptism Promises (RM, p. 361) which takes the place of the Creed. The priest may sprinkle the assembly with holy water afterwards but must be masked if he leaves the sanctuary to do so.
