**From the desk of the pastor...**

Once there was a proud eagle perched on top of a cut banana trunk floating swiftly down a swollen river. The big bird seemed oblivious of the tremendous waterfall that lay ahead.

It so happened that a hunter was walking down a path along the river's edge. Seeing the huge bird perched on the banana trunk, the hunter clapped his hands and cried out, "Yoo-hoo, fly away... There's danger ahead!" The eagle merely shrugged his enormous wings as if to say, "Don't bother me. I know what I am doing."

As the banana stump moved closer to the waterfall, the hunter again cried out frantically gesturing, "Hey, there's a waterfall ahead!" Again, the complacent eagle merely shrugged his wings.

At that moment, the eagle looked down just in time to see that the banana trunk had reached the brink of the waterfall and was about to go over the edge.

He spread his wings and prepared for immediate take-off. But he was unable to rise. Desperately, he flapped his wings to extricate himself...but his sharp claws got buried in the fibrous banana trunk. He went down to his destruction.

God has constantly called out to us, even warned us. But for many the response is a dull, lethargic shrug of the shoulders as if to say, like that proud eagle, "Don't bother me, Lord, I know what I'm doing... I can take care of myself... I'll do it my own way." We get caught and entangled in the things of this world. Refusing to let go of that complacent "ride" we go down – to our own destruction.

God bless.

Fr. Luis

**DONATIONS FOR UKRAINE**

The Roman Catholic Diocese of Peterborough reached out to the Ukrainian Catholic Eparchy of Toronto and Eastern Canada to ask how we can help. The Eparchy has recommended that the Diocese encourage our parishes and parishioners to donate and they have provided advice on how to do so. In this regard, the Diocese has made a \$10,000 donation to Ukraine to help ease the suffering of the Ukrainian people

You are asked to consider how you might be able to help the Ukrainian people at this time. Here are two suggestions:

- **KNIGHTS OF COLUMBUS** [Join us today in supporting Ukraine Solidarity Fund \(koec.org\)](#) 100% of your gift will go directly to these displaced people through the Knights of Columbus Ukraine Solidarity Fund. The website automates the donation to USD funds, just click the drop-down button to switch to CAD funds.
- **CATHOLIC NEAR EAST WELFARE ASSOCIATION** [CNEWA Canada | Catholic Near East Welfare Association](#). CNEWA Canada typically holds back 10% of donated funds to administer the organization. For the crisis in Ukraine, this fee has been lowered to 5% so 95% of your donation goes directly to Ukraine.

**Food Bank:** Our community food bank is in need of toilet paper and saltine soda crackers (no other kind). If anyone would like to contribute, please just put in the food bank box at the back of the church. Thank you in advance for your generosity.

**OLQP**

**Food Bank:** Food costs are up and so are numbers and we would be grateful for any donations of the following in your Lenten charity; Smooth peanut butter, apple juice (1L), canned vegetables, fruit and tomatoes, instant rice, instant coffee, Kraft Dinner, pasta sauce, condiments (ketchup, mustard, relish, mayo). Thank you for putting your generous contribution in the Food Store boxes. It really is appreciated, as no collections can be made at Church for the next little while.

**Development & Peace: 2022 Share Lent****Standing up to corporate power in Honduras**

The *People and Planet First* campaign is about helping communities stand up to corporate power. In Honduras, as in much of the Global South, corporations often threaten and criminalize activists who speak up against their abuses.

The Lenca Indigenous leader Víctor Vásquez was imprisoned for the corporate takeover of his people's ancestral territory.

Development and Peace's partner, the Honduran Centre for the Promotion of Community Development (CEHPRODEC), helped free him from jail.

Another partner, Caritas Choluteca, trains and accompanies community leaders in advocating for policies that respect human rights and the environment. Recently, they got mayoral election candidates to undertake to declare the municipality of Orocuina a mining-free zone if elected.
