**From the desk of the pastor...**

HOLY WEEK is the last week of the 40-day season of Lent and the week preceding Easter. It is at this time that we focus on the last week of the life of Christ, remembering especially His passion and resurrection. The week is a marvellous opportunity for Christian growth and offers incredible potential for satisfying spiritual hunger.

Palm Sunday is the commemoration of Our Lord's triumphant entry into Jerusalem five days before His crucifixion and has a dual focus – a joyful procession to remember the jubilant entry of Jesus into Jerusalem and the Lord's Passion.

Holy Thursday remembers the events in the Upper Room the night before Jesus died and concentrates on the institution of the Lord's Supper, the eating of the Passover meal and the washing of the disciples' feet.

Good Friday is a solemn remembrance of the death of Jesus Christ on the cross. In general, the day is marked by austerity and silence. The term is a very fitting one since the death of Jesus Christ was for our eternal good.

Easter celebrates the victory of Christ over sin, death and evil, as well as the promise of everlasting life. From the earliest times when the crucifixion and resurrection were celebrated, it has been an inspiration for Christians to continue the things they have learned from doctrine, an instrument which strengthens their faith and creates in them the desire to do good.

These momentous events of the Holy Week bring messages of consolation, strength and hope. They remind us that when we look at Jesus Christ on new disposition and a spiritual aptitude to continue to carry our own personal crosses with confidence, bravery, dignity and hope.

Christ has died, Christ is risen, Christ will come again!

Fr. Luis
