**From the desk of the pastor...**

According to Abraham Maslow, a renowned psychologist, there are moments in our lives when for an instant, we move (or see) beyond ordinary events to extraordinary ones. These moments for him are “peak moments”.

As Christians we have peak moments, moments when we experience God as individuals or as a community, moments when we answer his call and make paradigm shifts pursuant to lives of blessedness and grace. Jesus Christ, on his way to Jerusalem to undergo the cross, needed to be in touch with his Father to draw strength and secondly, he wanted his disciples to know what lay beyond his impending suffering and death. At his peak moment, he went on a retreat where he met God and came back stronger to face his mission. At the defining moments of our lives, we may do well to turn to God who can transfigure our despair into hope, our failures into success and our troubles into blessings. Differently, in our peak moments, we may still hearken to God's voice telling us to listen to Jesus, God's beloved.

God demands that we heed his call whenever and however the call comes. God has but one call for us this Lent and beyond: that we leave wherever we are for wherever he leads. He desires that we leave those situations that leave us less Christian hence at loggerheads with our maker. He'd want us to make a paradigm shift: from sin to righteousness, from evil to good, from selfishness and avarice to selflessness and charity.

He calls us to leave our negative sides for the positive ones, that we leave our comfort zones of drunkenness, immorality, corruption, embezzlement etc. and go to the discomfiting zones of righteousness, chastity, love and goodness. That so, we may be earning for ourselves the blessings and favours of God.

God bless.  
- Fr. Luis

**"Stand for the Land" Campaign 2023**

Around the world, many communities are mobilizing to defend their territories against threats posed by extractive industries and industrial agriculture. These people are often threatened, criminalized, or even killed when they stand up to protect their lands, their livelihoods and their very existence.

Development and Peace – Caritas Canada stands in solidarity with these peoples. With our partners, we support communities' efforts to protect their territories and biodiversity for present and future generations.

A letter of support from +Most Reverend Bishop Raymond Poisson, CCCB President, is attached. Here is an excerpt from His Excellency's letter:

*Therefore, I invite you to Create Hope by supporting Development and Peace's Stand for the Land campaign. Give generously, get involved in your community, be the hands and feet of Christ in the world: "[...] let us love not in word or speech but in deed and truth (1 John 3:18)."*
